

# #Our new job

Thanks for your interest in #OurNewJob! The more people who spread this message, the better off we'll be in the fight against COVID-19. Here are some ways you can do your bit.

## 1/ Upload a new profile picture

- Take a selfie, wearing a mask, standing against a plain background. Make sure there is some space below your chin.
- Add that image and the .png file (available to download on this link) into PowerPoint or Keynote.
- Add the transparent #OurNewJob frame to your image.
- Save, or just take a screen shot of your new profile pic, then upload to LinkedIn, making sure the #OurNewJob frame is centred so it looks like this:

## 2/ Update your experience

- Go to your LinkedIn profile.
- Scroll down to 'Experience' and add a role by clicking the +

### 3 / Post a status in support

Simply click 'Start a post' at the top of LinkedIn's home page, then copy and paste the below text.

**I've got a new job. It's wearing a mask.**

**Sure, it's not the hardest job in the world, but it's the most important one I'll ever have.**

**I know it's not anybody's dream job. It might not be a comfortable fit. And sure, there's no pay – but it'll pay off in the long run.**

**My new job is wearing a mask. But it's not just my job. It's yours, too.**
